Editor's notes

Cakes 4 Fun creates delicious, unique and fun bespoke cakes to suit every occasion – from weddings, civil partnerships, corporate events, christenings and birthdays.

The company started in 2001 at Carolyn White's kitchen table and was born out of her passion to design fun and delicious cakes. Following her redundancy from the world of publishing, Carolyn started to grow the business through local customers. The company now operates from two busy shops in Putney where the order books are full of cakes for all occasions.

Every cake is hand-baked and all the delicious and mouth-watering fillings are created on site to ensure the cakes not only look stunning, but taste amazing too.

The company specialises in stunningly simple designs that give maximum effect – clean smooth lines, creative use of colour, exquisite sugar or fresh flowers, fun hand crafted sugar bridal models and delicate sugar detail.

Cakes 4 Fun bespoke service is available to those wanting something a little different. This ensures that specific requirements can be incorporated into a design that is truly unique.
