**LEARN THE SECRETS OF SUCCESSFUL BAKING AT
CAKES 4 FUN'S NEW BAKING CLASSES**

24 May 2010 – Cakes 4 Fun, a leading cake company in Putney, has recently introduced new baking classes to its portfolio for those who would like to make the perfect cake but do not have the confidence or skills to do so.

The new baking classes - on Sunday 11 July, 1, 22, 26 August and 26 September – focus on how to make the perfect sponge, madeira and chocolate cake topped with ganache and sugar syrup. All trade secrets, developed over the past nine years, are revealed in the classes!

Carolyn White, Founder and Director of Cakes 4 Fun, said: “As a result of customer feedback and a growing interest in baking, we decided to introduce these fabulous baking courses that are guaranteed to help you create the perfect cake! The courses are ideal for beginners or for those who want to improve their skills.”

The baking courses run for one day, cost £120 including all equipment and ingredients and take place in Cakes 4 Fun’s new teaching rooms, one of which adjoins their kitchens to help retain the experience of being within a working cake environment.

Once students attend a course they can then purchase the necessary equipment and decorations from Cakes 4 Fun’s Sugarcraft shop to ensure their future creations are a success. And if they purchase any items on the day of their course, they will receive a 10% discount.

Editor's notes

Cakes 4 Fun creates delicious, unique and fun bespoke cakes to suit every occasion – from weddings, civil partnerships, corporate events, christenings and birthdays.

The company started in 2001 at Carolyn White's kitchen table and was born out of her passion to design fun and delicious cakes. Following her redundancy from the world of publishing, Carolyn started to grow the business through local customers. The company now operates from two busy shops in Putney where the order books are full of cakes for all occasions.

Every cake is hand-baked and all the delicious and mouth-watering fillings are created on site to ensure the cakes not only look stunning, but taste amazing too.

The company specialises in stunningly simple designs that give maximum effect – clean smooth lines, creative use of colour, exquisite sugar or fresh flowers, fun hand crafted sugar bridal models and delicate sugar detail.

Cakes 4 Fun bespoke service is available to those wanting something a little different. This ensures that specific requirements can be incorporated into a design that is truly unique.
