

Flossie Crums is almost eight. She's a bit messy, loves dressing up and sometimes finds her brother, Billie, really annoying. She loves to bake and she definitely believes in fairies. Doesn't everyone? One magical day, she is invited to make fairy cakes for Queen Rosie of Romolonia's summer ball.

In this first baking fairytale adventure to the kingdom of Romolonia, Flossie Crums introduces you to the fairies. She shares her secret recipes and creates beautiful fairy cupcakes that bring back a smile to Queen Rosie's face.

"The most enchanting fairy book I have ever read. Flossie is slightly naughty, very clever and a whizz in the kitchen. My girls want to be her and who can blame them – she is very cool and she cooks amazing cakes!"
