### **CAKES 4 FUN HELPS GET THE HALLOWEEN PARTY STARTED**

29 September 2009 – Cakes 4 Fun, a leading cake company in Putney, has recently introduced a fantastic new range of spooky cake courses and cake decorations to help get the Halloween party started on Saturday 31 October 2009.

Amateur and semi-professional cake makers and decorators can attend a number of cake courses including making a witches' cauldron bubbling away with ghoulish ingredients and Halloween cupcakes.

Carolyn White, Director of Cakes 4 Fun, said: "Following the tremendous interest in our general cake courses and the subsequent opening of a new dedicated teaching room, we decided to create specific cake courses for Halloween.

"This year, many people seem to want to make their own cakes for all occasions but are often a little nervous about doing so. Our Halloween courses certainly give them the skills and confidence to create something sensational and spooky."

There are currently three Halloween cake courses available: Witches' Cauldron course on Thursday 29 October and Halloween Cupcakes courses on Friday 30 October and Saturday 31 October. Courses run from 10am until 4pm and prices range from £99 to £109.

For those who prefer to make and decorate their own cakes at home, there are a number of spooky cake decorations available from Cakes 4 Fun shop, from cupcake and cookie stencils, scary cupcake cases to pumpkin cake moulds.

Editor's notes

Cakes 4 Fun creates delicious, unique and fun bespoke cakes to suit every occasion – from weddings, civil partnerships, corporate events, christenings and birthdays.

The company started in 2001 at Carolyn White's kitchen table and was born out of her passion to design fun and delicious cakes. Following her redundancy from the world of publishing, Carolyn started to grow the business through local customers. The company now operates from two busy shops in Putney where the order books are full of cakes for all occasions.

Every cake is hand-baked and all the delicious and mouth-watering fillings are created on site to ensure the cakes not only look stunning, but taste amazing too.

The company specialises in stunningly simple designs that give maximum effect – clean smooth lines, creative use of colour, exquisite sugar or fresh flowers, fun hand crafted sugar bridal models and delicate sugar detail.

Cakes 4 Fun bespoke service is available to those wanting something a little different. This ensures that specific requirements can be incorporated into a design that is truly unique.
