FABULOUS SUMMER CAKE COURSES FROM CAKES 4 FUN

16 June 2010 – Cakes 4 Fun, a leading cake company in Putney, has created some fantastic new cake courses for summer, expanded course dates for popular courses and brought back the modelling mini handbag cake course due to popular demand.

Novice and semi-professional cake makers and decorators can now choose from nearly thirty different types of cake courses this summer.

New courses include: Farmyard fun, mini racing car, bottle of champagne, 3D castle cake, cupcake bouquet and chocolate indulgence. Popular courses already in existence include: mini iced cakes, ultimate cupcakes, 3D cakes, basic cake decoration, cookies, stacked cakes, sugar flowers, modelling and intensive cake decorating.

Carolyn White, Founder and Director of Cakes 4 Fun, said: “We are very excited about launching our new summer cake course programme which we hope will appeal to a variety of people with a range of cake decorating skills.

“In summertime, there are always so many opportunities to celebrate such as the usual birthdays and anniversaries to specific occasions like the World Cup for all football enthusiasts! Our courses will certainly give you the skills and confidence to create something sensational for any occasion.”

All courses run for either one, two or five days or evening(s) on selected dates throughout the summer. Ranging in price from £45 to £695 inclusive of all ingredients and equipment, the courses take place in Cakes 4 Fun's new teaching rooms which are near their kitchens to help retain the experience of being within a working cake environment.

Once students attend one of the courses, they can then purchase the necessary equipment and decorations from Cakes 4 Fun's Sugarcraft shop to ensure their future creations are a success. And if they purchase any items on the day of their course, they will receive a 10% discount.

Full course and booking details can be found on Cakes 4 Fun's website: www.cakes4funshop.co.uk.

Editor's notes

Cakes 4 Fun creates delicious, unique and fun bespoke cakes to suit every occasion – from weddings, civil partnerships, corporate events, christenings and birthdays.

The company started in 2001 at Carolyn White's kitchen table and was born out of her passion to design fun and delicious cakes. Following her redundancy from the world of publishing, Carolyn started to grow the business through local customers. The company now operates from two busy shops in Putney where the order books are full of cakes for all occasions.

Every cake is hand-baked and all the delicious and mouth-watering fillings are created on site to ensure the cakes not only look stunning, but taste amazing too.

The company specialises in stunningly simple designs that give maximum effect – clean smooth lines, creative use of colour, exquisite sugar or fresh flowers, fun hand crafted sugar bridal models and delicate sugar detail.

Cakes 4 Fun bespoke service is available to those wanting something a little different. This ensures that specific requirements can be incorporated into a design that is truly unique.
